PRESS RELEASE

PLAE2TECH Ltd (former 3TEMP Ltd) have reached an agreement with Koffiedok in the region of Overijssel at Deventer, Holland for them to become sole agency for distribution of the Hipster series and accessories for the Dutch market the coming years...

PLAE2TECH Ltd (former 3TEMP Ltd) signed the agreement on Monday. The company's chief of sales (CSO) Jonas Florin continues:

- "We are truly happy to seal this agreement with mr Hettinga and Koffiedok. Holland is a savvy coffee country and for us, we only want to work with partners that brings enthusiasm and a feelgood touch in their set-up, together with skilled craftsmanship, a great reputation and a worldwide network within the industry. We believe we have found that sole agent in mr Hettinga and Koffiedok", says mr Florin.

Gerben Hettinga, CEO for Koffiedok and primary contact for PLAE2TECH Ltd (former 3TEMP Ltd) is very excited to get this show running:

- "For us it means an affirmation of a innovative working relationship where both companies aim to improve the experience for the coffee drinker. By investing in innovative coffee brewing, we hope to entice more coffee drinkers to become coffee aficionados. By serving quality coffee, which highlights all the great flavor and aroma's that can be found in coffee, more coffee drinkers can enjoy seasonality and other variations in coffee. It will enlarge the view of what coffee can be. This in return will help farmers to make it worth their efforts to aim for quality to ensure a sustainable future", says Gerben Hettinga, CEO Koffiedok.

This is the second sole agency signed in Europe for PLAE2TECH Ltd (former 3TEMP Ltd). Last week the company secured Germany and Espresso Prego as a partner. More to come.
