PRESSRELEASE

PLAE2TECH Ltd (former 3TEMP Ltd) have reached an agreement with Espressospecialisten Sweden/Denmark, EspressoSpecialisten Norway and The Espresso Specialist Inc. USA to become our new sole agent for these countries (except Norway who is a house account) for all products and accessories within the Hipster series. The Espresso Specialist Inc. is also the sole agent for the revolutionary product CPA from PLAE2TECH Ltd (former 3TEMP Ltd).

PLAE2TECH Ltd (former 3TEMP Ltd) signed the agreement earlier this week and sales director mr Jonas Florin has more info in the matter:

-We are truly happy to have come to terms with Espressospecialisten Ltd as a sole agency. For us, they are a partner with a great set of skills regarding the coffee industry that we really like. Their reputation in the business is worldwide renowned and that is an important factor for us, who have 95% international business all over the world. With this new piece to our puzzle settled, we are anticipating a terrific future for us and also regarding the evolvment of our co-operation, says Jonas Florin.

Magnus Adamsson & Patrick Watz, founders of Espressospecialisten Ltd is as excited as mr Florin regarding this collaboration:

-For us this is a confirmation that two innovative companies in the specialty coffee industry who shares our vision to optimize coffee can grow together and become better as a team. PLAE2TECH Ltd (former 3TEMP Ltd) is the company that wants to push the technical development constantly forward. By serving quality coffee that envisions all taste and aroma the way the Hipster series do, we all stand accountable for how a batch of filter coffee should taste. With no doubt; the Hipster series belong to the top tier of coffee macines worldwide, mr Adamsson says.

With this brand new information, PLAE2TECH Ltd (former 3TEMP Ltd) have +15 sole agencies worldwide, which feels truly inspiring for what will come next.
